

List of Tables

Table 1.2.1	Important features of some selected reconfigurable System on Chip (SoC) architectures and Processing Unit.....	26
Table 2.7.1	Proposed ISA instruction for Memory chunk allocation....	55
Table 2.8.1	Proposed ISA instruction for calloc	57
Table 2.8.2	Proposed ISA instruction for realloc.....	59
Table 2.9.1	Proposed ISA instruction for free	65
Table 3.3.1	Abstract of TIE key words	89
Table 4.1	Proposed Instruction and their respective Intrinsic.....	120
Table 4.2	Result of Speed-ups for several Real Time data-intensive Algorithms	125
