Appendix 6

FGD questions for Community Members

The following questions were asked to the community members during the focused group discussion (before module preparation stage)

1. What are your problems?
2. What are your expectations from the academic institutions in the locality?
3. Do you children need academic help? If yes, in which subjects?
4. Other comments/expectations.

After implementation of the module

1. Did you like the work of STs? Why?
2. How have you benefited?
3. Have you improved in your studies?
4. Has the interaction with the student teachers made any impact on your thinking or life?
