ACKNOWLEDGEMENT

I sincerely thank Prof. (Dr.) S.G. Deobhankar, my Research Guide, for his valuable inspiration, enlightened guidance and continuous support during the passage of this research work. His expertise in the area of business studies and banking has helped me to understand complex intricacies of bank financial management. I shall always cherish his human touch and considerate nature.

I owe a heartfelt sense of gratitude for my fast friend, Dr. Shirish R. Kulkarni for his relentless help and constant support at every stage of research work.

I am grateful to Prof. (Dr.) S.K. Singh, Dean, Faculty of Commerce and Shri M.B. Majmudar, Head, Department of Accounting and Financial Management for their encouragement and generous accommodation whenever required.

I sincerely thank senior teachers and colleagues in the Department of Accounting and Financial Management as well as in the Faculty of Commerce, M.S. University of Baroda for their support.

I am thankful to the staff members of RBI Research Cell, M.S. University of Baroda and Library Staff members of National Institute of Bank Management (NIBM), Pune for their valuable help in literature survey.

I extend my special thanks to Shri Dilip Kulkarni for his meticulous computing help.

Finally I must gratefully acknowledge the blessings of my parents and constant support of my wife and daughter.
