INTERVIEW SCHEDULE

For Teachers.

1) Do you think that the parents these days take interest in the education of their children?

2) What is the approximate percentage of parents who take such interest?

3) What are the different ways in which parents show interest?

4) Do you find individual differences among parents regarding their interest in the education of their children because of their respective educational qualifications and socio-economic status?

5) Does a negative or positive report of a child elicit more interest on the part of the parents?

6) Do you find that the degree of interest shown by the parent affects the achievement of the child?

7) Do you think that your particular subject has any bearing on the interest shown by the parent?

For Parents.

1) What are the different ways which may reveal your interest in the education of your child?

2) Do you often or regularly see the progress report of the child?
3) What steps do you take if the report is positive or negative?

4) Do you help the child in his hometask?

5) Do you ever provide any extra reading material to your child?

6) How much time do you devote regularly or intermittently in the education of your child?

7) What generally is your attitude while coaching the child?

8) Do you have any personal library in the house? How large is your library and what are the different fields in which you have books in your library?

For students.

1) Are you fond of your studies?

2) Who helps you in your studies?

3) Are your parents concerned about your education?

4) In what different ways your parents show interest in your education?

5) Do the parents help at their own initiative or you have to ask for it?

6) Is this interest enough? Does it help you in your studies?

7) Does your parent's interest in your education help you progress in your studies?
