ACKNOWLEDGEMENT

Writing of this thesis has been one of the most significant challenges I had to face. Without the support of almighty GOD and His Holiness Shri Narayandasji Maharaj of Santram Mandir, Nadiad and the guidance of the following people, this study would not have been completed. It is to them I owe my deepest gratitude.

I owe and express my deepest sense of gratitude to Prof. (Dr.) B. P. Bhuva Sir, whose inspiration, motivation, timely guidance and constructive suggestions has made me to reach present destination.

I also express my gratitude to Prof. (Dr.) S. K. Bhatt and all other professors of the Post Graduate Department of Business Studies, Sardar Patel University for showing their keen interest directly or indirectly in my research work.

I am very grateful to Dr. N. R. Joshi, Dean, Faculty of Business Administration, Dharmsinh Desai University for his kind support throughout the research work.

I am very much thankful to Prof. S. G. Parekh, Prof. A. D. Talati, Prof. D. S. Bhatt and Prof. Y. P. Vyas and other faculty members for their support, guidance, encouragement and help in completing my research work.

I would like to thank to Dr. R. D. Chaudhary of M. G. Science Institute, Ahmedabad for his expertise in statistical analysis of data for present research study.

I would like to thank Dr. A. K. Yagnik who has been a source of motivation throughout the research and has helped me in completing my research work in time.

I owe my sincere gratitude to Dr. R. B. Dalwadi, Dr. Priyanka Khanna, Prof. Devang Patel and Prof. K. L. Patel and for their detailed review and valuable suggestions during the preparation of this thesis.
I take this opportunity to extend my deep appreciation to my wife, children, family members and friends for all that they meant to me during the crucial times of the completion of this research work.

Finally I thank all who have directly or indirectly helped me in achieving this milestone to shine in the academic world.
