Acknowledgement

With extreme pleasure, I would like to express my sincere and deep sense of gratitude to my honorable guide Dr. D. B. Dhaigude, Professor, Department of Mathematics, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad (M.S.), India for his valuable guidance, constant encouragement and timely suggestions throughout my research period. I also express my deep sense of gratitude for his excellent guidance, competent advice, keen observations and persistent encouragement as well as personal attention given to me during the entire course of work, without which the successful completion of this work would not have been possible. I am deeply indebted to him for his kindness, constant encouragement and support.

I am also grateful to UGC New Delhi, for financial support under the scheme “U.G.C - Research Fellowship in Sciences for Meritorious Student” with grant No.F.4-1/2006(BSR)/11-78/2008(BSR).

I express my sincere thank to Professor and Head, Department of Mathematics, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad (M.S.), India for extending all research facilities to me during the tenure of my research work. I am thankful to all faculty members and nonteaching staff members of the department of Mathematics and Statistics for their kind co-operation.

It would like to express my sincere appreciation to my research colleagues and friends for their pleasant company, technical discussion, cooperation and all the help they had extended during the years of sustained pressure required to complete this work.

It would be great pleasure for me to remember and to acknowledge my maternal uncle & aunt Shri Kondiba Lakade, & Smt Sunanda K. Lakade and late paternal uncle Shrimant Birajdar and for their support, which is of immense value for me.
Of course, I am grateful to my father Shri. Achutrao B. Birajdar without whom this work would never have come into existence and my mother Mrs. Bharatbai A. Birajdar for encouragement, understanding and patience during the study of this thesis. I would be failing in my duty if I do not acknowledge my brothers Suresh Birajdar, Sunjay Birajdar, Satish Birajdar, Shashikant Birajdar and Sagar Lakade for their support during the tenure of my research work.

I take this opportunity to express my gratitude towards Director Prof. S. Parasuraman, Dean Prof.S. Peppin, Associated Dean Dr. Ramesh Jare, Course Coordinator Dr. Byasa M., faculty members and nonteaching staff members of Tata Institute of Social Science Tuljapur Campus, Tuljapur.

I conclude my endless thanks to all those whom I am not able to recall. Thanking for their best wishers:

Gunvant Achutrao Birajdar
