ACKNOWLEDGMENT

It is a matter of proud privilege to express my heartfelt gratitude and indebtedness to my eminent guide Prof. A. R. Jani, Department of Physics, Sardar Patel University, Vallabh Vidyanagar, for guiding me successfully in the present endeavour. I can never forget his constant encouragement, invaluable suggestions, kindness and affection.

I am thankful to Prof. P. D. Patel, Head, Department of Physics, Sardar Patel University for providing me the necessary facilities.

I take this opportunity to express my appreciation to the College authorities, especially Prin. Dr. H. K. Patel for granting necessary permission to carry out the present work and for giving academic encouragement.

My friend Dr. P. N. Gajjar deserves my special thanks for his help in various ways.

How can I forget my family members who have supported me through every stage of life? I feel short of words to express my deep sense of gratitude to my parents and my brother and sisters for encouraging and inspiring me throughout the course of this work.
