ACKNOWLEDGEMENT

I owe my deepest debt of gratitude to Dr.(Mrs.) S.Manocha, Reader, Department of Materials Science, Sardar Patel University, Vallabh Vidyanagar, under whom I had the opportunity of working as a research student. I have been highly benefitted from her perfidious probing and constructive criticism at all stages of my work. She who taught me the rudiments of research & guided me very painstakingly. The years spent in her counsel and company will have a lasting positive impact on my professional career. It is difficult to look for words adequate to thank her for her constant loving care & affection.

My interaction with my Co-guide Prof. L.M.Manocha, Head, Department of Materials Science made me aware of so many points which were indeed very central to one's understanding of the subject. He gave me a much needed moral support. I would like my gratitude to him for his help and guidance.

I am thankful to Prof. P.Ehrburger and Dr. (Mrs.) Cathie – Vix of CNRS Mulhouse, the Principal Investigator & Co-Investigators from France for the Kinetics studies and useful discussions during their visit to the Department of Materials Science, India.

I am thankful to Dr.(Miss)R.H.Patel, & Dr.N.M.Batra, Lecturers in the Department of Materials Science, Prof.M.K.Agarwal and Prof.A.K.Ray for cooperation given from time to time during the work.
I sincerely thank my friends and colleagues Dr. Deval Vashistha, Dr. Sanjay Shah, Umesh Patel, Ashish Patel, Jignesh Bhagat, Alpesh Patel, Miss Bindu Stephen, Chetan Panchal, Mitesh Patel, Ashish Warrier and Vanraj Chauhan for their timely help and support during and towards successful completion of my research work.

I am thankful to the non-teaching staff Mr. S.A. Barot, Mr. R.M. Rana, Mr. Piyush Parmar, Mr. P.C. Parikh and Mr. Bhanubhai for their constant cooperation.

The work had been carried out under the research Project “Basic Studies on Kinetics of Carbon Reactivity in Carbon Composites” funded by Indo-French Centre for Promotion of Advanced Research (IFCPAR/CEFIPRA) with Prof. L.M. Manocha as Principal Investigator and Dr. (Mrs.) S. Manocha as Principal Co-Investigator. I am thankful to IFCPAR/CEFIPRA for the financial assistance.
