ACKNOWLEDGEMENT

The present study is an attempt to identify the political socialization of Thai youths. The study has been completed with the sincere help and the valuable guidance from the guide and several other experts.

It is a source of great pleasure of the present investigator to express his profound sense of gratitude to his guide Dr. MANHAR J. BAXI, Professor & Head, Department of Political Science, Sardar Patel University for his valuable guidance and constructive criticism during the course of research at every steps. Without his continuous guidance and encouragement, it would not have been possible to present this thesis.

The investigator would also note with deep sense of gratitude, the contribution given by Dr. J. N. PANDYA, Professor, Department of Political Science, Sardar Patel University.

The investigator would like to make use of this opportunity for thanking all the administrators, teachers and students of secondary schools as well as in college and University of 12 Educational Regions, who actively co-operated by taking interest in the details requested through the test and questionnaire. Without their help, this huge task would not have been completed with ease.

Finally, the investigator owes a deep sense of obligation to his wife Mrs. WEERAWAN KHLUNGKORN, specially, the thank, are also due to dear sons and daughter EKA-TOH-POR who helped and provided with strong will-power during a longer period of study.
