Acknowledgement

First and foremost I thank the omniscient for helping me to complete my research work successfully.

I record my sincere thanks to Prof. R. Sethuraman, Vice-Chancellor, Shanmugha Arts, Science, Technology and Research Academy (SASTRA) for giving me a great opportunity to carry out my research work, which has enabled me to lift my knowledge on research and academics.

With exuberant joy and ineffable gratitude, I express my hearty thanks to Dr. G. Victor Rajamanickam, Professor and Dean, Center for Advanced Research in Indian System of Medicine (CARISM), SASTRA University, for his diligent guidance, incessant efforts, precious suggestions, constant encouragement and for his painstaking efforts to correct the manuscript amidst his bustling schedule throughout my entire research period.

I am equally indebted to my Guide Dr. A. Hannah Rachel Vasanthi, presently Associate professor, Department of Biotechnology, Puducherry University, Chennai, for her impeccable guidance, fountain of knowledge, unquenching thirst for innovative ideas, scholarly criticisms and whole hearted support at all stages of the work amidst her hectic schedule.

I am extremely grateful to Prof. G. Bhalachandran, Registrar-SASTRA University, Prof. R. Kandasamy, Prof. K. Thiagarajan, Dean-Research, Dr. R. Chandramouli, Associate Dean, Prof. T. R. Sivaramakrishnan, Former Dean-Research, Dr. K. N. Somasekharan, Former Dean, SCBT, Dr. S. Swaminathan, Director-CeNTAB and Dr. P. Brindha, Dean (i/c) - CARISM for their valuable advice in the accomplishment of this research.

I extend my heartfelt thanks to Prof. G. P. Dubey, Distinguished Professor, SASTRA University, Dr. S. Aruna Agarwal, Visiting Professor,
SASTRA University and Dr. G.J. Samathanam, Advisor, Drugs and Pharmaceutical division, Department of Science and Technology, Govt. of India, for their constant encouragement and giving me their valuable suggestions.

I would like to express my thanks to the Drugs and Pharmaceutical division of Department of Science and Technology and Citadel Fine Pharmaceuticals for providing me fellowship for a period of three years during my research work.

I am very much thankful to Dr. P. Stanley Mainzen Prince, Asst. professor, Dept. of Biochemistry, Annamalai University, Annamalai nagar, who extended his helping hands to me with necessary inputs during my research work.

I wish to record my gratitude and thanks to my colleagues Mr. A. Irudaya Charles Dorni, Mr. S. Ariyanathan and Ms. K. Gayathri who stood by my side throughout my research work.

I would like to express my profound sense of thankfulness to Dr. S. Senthil, University of North Dakota, USA and Dr. R. Senthil Kumar, University of Virginia, USA for their help during my literature survey.

I gratefully acknowledge my sincere thanks to Dr. V. Gopinath, Dr. P. Rajalakshmi and Dr. N. Ravichandran of CARISM in helping me in collection and authentication of the plant material.

My hearty gratitude goes to Dr. N. Mahesh, Asst. professor-SASTRA University, Mr. S. Moscow, Dr. R. Ravikumar and Mr. P. Sakthivel for their constant support during my tricky period of research activities.

My sincere thanks also go to Ms. K. L. Niraimathy, Mr. Rudra Prathap Ojha, Ms. Manisha Rastogi, Mr. Antony Thangadurai, Ms. S. Subashini,
Ms. M. Abeetha, Mrs. S. Revathi, Mr. C. David Raj, Mr. Jipnomon Joseph, Mr. M. Mohammed Shabi and Ms. R. Sivagamasundari for their timely help at every stage of the present work.

I extend my heartfelt thanks to the SCBT lecturers, research scholars and students of SAstra University Ms. R. Jayapradha, Mr. R. Vivek, Mr. Purusothaman, Ms. T. Sangeetha, Ms. G. Thenmozhi, Mr. Ganeshkumar and Mr. B. Hariram who has helped me during various stages of the research work.

I also thank Ms. S. Rajalakshmi, Mr. S. Narayanasamy, Mr. S. Sivashanmuganathan, Ms. A. Celine Elizabeth and all the animal house staffs for helping me in animal works.

My hearty gratitude goes to Dr. H. Balaji, Mr. R. Lakshmi Sundaram, Mr. Ramakrishnan and all the staffs of Herbal medicine Research laboratory, Sri Ramachandra University, for their help in preparing the thesis.

I thank Mr. Meenakshi sundaram and Mr. T. Ponram Technical Assistants of SCBT, SAstra University for their kind co-operation to complete this work.

I sincerely thank all the staff members of SCBT and CARISM of SAstra University for their kind co-operation to complete my research work.

Above all I would like to express my sincere gratitude to my Parents, Uncles, Sister and her family members for their blessings and encouragement for the successful completion of this research work.

K.S. Jayachandran
