ACKNOWLEDGEMENT

I express my deep sense of gratitude to Dr. H.C. Dube, Reader, Department of Biosciences Sardar Patel University, for guidance and invariable encouragement during the course of this investigation.

I thank Professor J.J. Shah, Head, Department Biosciences for providing adequate facilities to carry out the work.

Sincere and heart-felt thanks are due to Drs. Kotak, Jarullah, Mohan Das, K.S. Rao, and Doshi, Ashok, Shettyar, Paulson, Mohan, Badri, Acharya, Sathu, Navin and Rashesh for their help during the course of my work.

My thanks are due to C.S.I.R., New Delhi for providing Junior Research Fellowship.
