ACKNOWLEDGEMENT

Research Process is a complex matter. So it is but natural to face many difficulties during the research work, So also I faced many problems but with the help of well wishers & friends I could completed the task.

I owe a large debt of gratitude to my esteemed guide, Dr. N.R. Parmar, Principal, Nalini -Arvind and T.V. Patel Arts collage, Vallabh Vidyanagar, for his valuable guidance at every stage in conducting this research. It was under his able and expert guidance that I have been able to complete this work successfully. I wish to express my sincere and deep gratitude to my guide, Whose constant support and encouragement helped me in materializing this research.

I am thankful to prof. S. J. Patel, Head, Department of Psychology and I am also thankful to Prof. L. R. Yagnik for their valuable help in carrying out this work. I am also grateful to Dr. Ashvin B. Jansari, Head, Department of Psychology, Gujrat University to support me in this research work. I am thankful to my all colleagues at my school, special thanks to my school principal respected Shri Virendrabhai Acharya sir, and my school Staff members who have helped me in the completion of this research work. I am thankful to all the principals of the schools who have given me permission to collect data from their Institution. I am grateful to all the respondents
of this study who have helped me by filling up the questionnaire.

Special thanks to my friend Dr. Mukesh S. Prajapati, lecturer in S.V. Arts Collage, Ahmedabad Who has given me a valuable help and encouragement to complete this research work. I am also thankful to my parents, my wife, Who have extended their co-operation and encouragement which enabled me to stand by the pressure of time bound research work.

Over and above all, my special thanks are due to Mr. Pravinbhai Dabhi for his personal interest and care in typing the thesis neatly and timely.
