ACKNOWLEDGEMENT

I owe a very special debt to my GUIDE Dr. M. N. Patel who provided critical advice of various kinds, lent a sympathetic ear, support, goodwill, all of which have proved to be of immense value in completing the research in time.

I am highly grateful to Prof. R. M. Patel, Head, Department of Chemistry, Sardar Patel University, for providing necessary research facilities for the completion of my research work.

I am deeply grateful to the Head, Department of Biosciences, Sardar Patel University, for taking keen interest in my work and also for giving suitable help in all respects.

My sincere grateful thanks also go to respected Dr. K. H. Patel for his interest so generously displayed as also for his personal concern in the progress of my work.

I am thankful to Mr. Darshan Patel for his kind and needful co-operation during my whole research work.

I am also thankful to Dr. Ketul Patel, Dr. Ketan Patel, Mr. Prakash Dholakiya and Mr. Pragnesh Panchal and friends for their much needed emotional support. I should not miss expressing my heart felt gratitude to the teaching staff, administrative staff and the librarian of the department for their co-operation and help.

I should not miss acknowledging the help and goodwill so graciously given in good measure by my parents and my wife in absence of which, I would not have been able to cross hurdles and other impediments punctuating the otherwise normal course of events.

It is a pleasure to record my appreciation to Mr. Joravarsinh Rana for the excellent support service provided by neat and prompt computer output.
