Table 10  No. and Percentage of Heads of departments in Ferdowsi University of Mashhad under different levels of perception about TQM in higher education........................................... 134

Table 11  No. and Percentage of Heads and Faculty Members in Ferdowsi University of Mashhad under different levels of perception about TQM in higher education................................. 136

Table 12  No. and Percentage of Heads of departments in Ferdowsi University of Mashhad under different levels of Leadership Behavior in total and its components................................. 141

Table 13  No. and Percentage of Faculty Members in Ferdowsi University of Mashhad under different level / type of Organizational Commitment ................................................. 143

Table 14  Details of ‘t’ test for difference between TQM mean scores (total and component wise) of male and female heads of the departments of Ferdowsi University of Mashhad (Iran)…… 147

Table 15  Details of One-way ANOVA for difference among the Heads of different age groups in Ferdowsi University of Mashhad (Iran) in their Total Quality Management (TQM) total mean scores................................................................. 149

Table 16  Details of ‘F’ test for difference among the Heads of different age groups in Ferdowsi University of Mashhad (Iran) in their Total Quality Management (TQM) components Mean scores 150

Table 17  Details of ‘F’ test for difference among the Heads with
different length of experience in Ferdowsi University of Mashhad (Iran) in their Total Quality Management (TQM)

Total Mean scores……………………………………………… 154

Table 18 Details of ‘F’ test for difference among the Heads with different length of experience in Ferdowsi University of Mashhad (Iran) in their Total Quality Management (TQM) components Mean scores……………………………………. 155

Table 19 Details of ‘F’ test for difference among Heads of different faculties in Ferdowsi University of Mashhad (Iran) in their Total Quality Management (TQM) Total Means scores…….. 159

Table 20 Details of ‘F’ test for difference among heads of different faculties in Ferdowsi University of Mashhad (Iran) in their Total Quality Management (TQM) components Means scores 160

Table 21 Details of ‘t’ test for difference between TQM mean scores (total and component wise) of male and female Faculty Members of Ferdowsi University of Mashhad (Iran)………. 164

Table 22 Details of One-way ANOVA for difference among Faculty Members of different age groups in Ferdowsi University of Mashhad (Iran) in their Total Quality Management (TQM) total Mean scores……………………………………………… 166

Table 23 Details of ‘F’ test for difference among Faculty Members of different age groups in Ferdowsi University of Mashhad (Iran) in their Total Quality Management (TQM) components
Table 24 Details of ‘F’ test for difference among Faculty Members with different length of experience in Ferdowsi University of Mashhad (Iran) in their Total Quality Management (TQM) Total Mean scores…………………………………………………. 168

Table 25 Details of ‘F’ test for difference among Faculty Members with different length of experience in Ferdowsi University of Mashhad (Iran) in their Total Quality Management (TQM) components Mean scores……………………………………………. 180

Table 26 Details of ‘F’ test for difference among Faculty Members of different faculties in Ferdowsi University of Mashhad (Iran) in their Total Quality Management (TQM) Total Means scores…………………………………………………………. 182

Table 27 Details of ‘F’ test for difference between Faculty Members of different faculties in Ferdowsi University of Mashhad (Iran) on various components of TQM……………………………………. 191

Table 28 Details of ‘t’ test for difference between TQM mean scores (total and component wise) Heads and Faculty Members of Ferdowsi University of Mashhad…………………………….. 192

Table 29 Details of ‘t’ test for difference between LB mean scores (total and component wise) of male and female Heads of the departments of Ferdowsi University of Mashhad (Iran)………. 195

Table 30 Details of ‘F’ test for difference among the Heads of different
age groups of Ferdowsi University of Mashhad in their LB mean scores (total and component wise)……………………. 201

**Table 31** Details of ‘F’ test for difference among the Heads with different length of experience of Ferdowsi University of Mashhad in their LB mean scores (total and component wise) 203

**Table 32** Details of ‘F’ test for difference among the heads of different faculties of Ferdowsi University of Mashhad in their LB mean scores (total and component wise)……………………. 205

**Table 33** Details of ‘t’ test for difference between Organizational Commitment mean scores (total and component wise) of male and female Faculty Members of Ferdowsi University of Mashhad (Iran)………………………………………………………… 207

**Table 34** Details of ‘F’ test for difference among Faculty Members of different age groups of Ferdowsi University of Mashhad in their Organizational Commitment mean scores (total and component wise)…………………………………… 209

**Table 35** Details of ‘F’ test for difference among Faculty Members with different length of experience of Ferdowsi University of Mashhad in their Organizational Commitment mean scores (total and component wise)…………………………………… 214

**Table 36** Details of ‘F’ test for difference among Faculty Members of different faculties of Ferdowsi University of Mashhad in their Organizational Commitment mean scores (total and
component wise)…………………………………………………….. 219

Table 37  Details of Pearson correlation between perception about TQM and Leadership Behavior of Heads of Departments in Ferdowsi University of Mashhad (total and components wise) 222

Table 38  Details of Pearson correlation between perception about TQM and Organizational Commitment (total and component wise).......... 224
