Acknowledgement

On the eve of completion of research study my memory goes back to tortuous journey and a number of benevolent to whom I owe gratitude for helping me to accomplish this work.

Firstly, I wish to express my deepest gratitude to my guide Dr. Yogesh C. Joshi, Sr. Lecturer, M.B.A. department of Sardar Patel University, V.V. Nagar, Anand for giving me an opportunity to complete this study under his astute and erudite academic guidance. Through his esteemed guidance, Dr. Joshi gave me a lot of useful advice and practical instructions which have made this study a successful one. I am also very grateful to Professor J. S. Panwar, for his valuable advice and support during the study.

I am thankful to G.H. Patel P.G. Institute of Business Management and Sardar Patel University for providing me an opportunity to research for this interesting topic which has added lots intellectual value to my expertise.

There are many people to thank for their support and encouragement, without whom this thesis would not have been possible. I would also like to
thank my current as well as previous organizations which have supported me in carrying out this research work.

Further, I am extremely indebted to all industry professionals and Medicos who has helped by providing their valuable time in providing their frank opinions through questionnaire and discussing how they feel about the questions asked during interactions. My thesis would not have been completed without their help.

Lastly, I thank my entire family specially my father and my wife who has constantly encouraged me during the research work.
