ABBREVIATIONS

IDD = Iodine Deficiency Disorder
MIT = Monoiodotyrosine
DIT = Diiodotyrosine
T3 = Triiodotyrosine
T4 = Tetraiodotyrosine
TSH = thyroid stimulating hormone
IQ = Intelligence Quotient
TGR = Total Goitre Rate
WHO = World Health Organisation
UNICEF = United Nations Children’s Fund
ICCIDD = International Council For Control Of Iodine Deficiency Disorder
UIE = Urinary Iodine Excretion
NCH = Neonatal Chemical Hypothyroidism
ICMR = Indian Council Of Medical Research
DGHS = Director General Of Health Services
NGCP = National Goitre Control Programme
KAP = Knowledge, Attitude and Practices
NID = Normal iodine diet
LID = Low iodine diet
HID = High iodine diet
