ACKNOWLEDGEMENT

My grateful thanks are due to my guide Dr. J.C. Parikh but for whose continuous inspiration and guidance the present investigation could not have been possible.

My heartfelt thanks are also due to Dr. D.N. Patel for his valuable help, scholarly suggestion and constructive criticism during the course of investigation.

Thanks are also due to various officials of the education department, school authorities, English teachers and language experts for their unstinted co-operation, expert advice and help in various ways in the accomplishment of the present investigation.

I would also like to express my thanks to innumerable students of standard VIII in various schools of the state who extended their co-operation in the present work.

I would be failing in my duties if I do not acknowledge the co-operation and help rendered by Mrs. Molly Skariah during the course of the investigation.
