ACKNOWLEDGEMENTS

It gives me a great pleasure to express my gratitude to my teacher Dr. G.L. Shah, for his most valuable guidance during the course of the present research work.

I also express my sincere thanks to:

Prof. J.J. Shah, Head of Botany Department, Sardar Patel University, for interest, encouragement and facilities to carry out research work.

Principal, P.T. Sarvajanik Science College, Surat for interest and encouragement in my work.

The Principal and Head, Biology Department, S.N. Arts & Science College, Chhotaudepur for facilities to carry out research work.

The forest authorities, Chhotaudepur division for their manifold help during the exploration work.

My friends Mr. N.D. Patel, M.J. Kothari, Valluru Dannah, Dr. J.D. Patel, I.L. Kothari, Y.J. Thanki and M.H. Trivedi for their valuable help during the preparation of the thesis.
