

ACKNOWLEDGEMENTS

It gives me great pleasure to express my heartfelt gratitude and indebtedness to Dr. Y.S. Dave for his everwilling and thoughtful guidance throughout the period of this endeavour.

I record my extreme indebtedness to Prof. J.J. Shah, Head, Department of Botany, Sardar Patel University, Vallabh Vidyanagar for providing excellent laboratory facilities and showing keen interest by furnishing a valuable assistance even from abroad without which this work would have been remained incomplete.

I also take this opportunity to thank Dr. G.L. Shah for kindly identifying the plants and taking interest in this work. My thanks are also due to Dr. B.H. Patel for helping me in collection.

I wish to acknowledge the help I received from Director, Genetics Division, I.A.R.I. New Delhi, for supplying the seeds.

The award of a Research Fellowship from Gujarat Government and Mafatlal Industries (New Shorrock Science) are gratefully acknowledged. My thanks are also due to U.G.C. for sanctioning a grant for support of Research Activities.

I acknowledge my colleagues and friends, Dr. J.D. Patel, Dr. I.L. Kothari, Dr. E.C. Raju, H.G. Patel, N.J. Patel, R.L. Fotedar, R.C. Setia and Y.J. Thanki for their help and co-operation during the course of this work.

Thanks are also due to G.M. Nair, A.R. Menon, S.S. Yadav, H.B. Vyas, B.K. Nair and H.H. Desai for their sincere help and kind co-operation during the final preparation of this thesis.

I also remember the teaching and nonteaching staff members of this department for their co-operation.

✓ Mr. J.C. Christian deserves special thanks for undertaking the burden of typing of this thesis.

Words are inadequate to express my thanks to Dr. Shanker Patel, Arvind Patel, R. Indu and S. Basu for their encouragement and inspiration during the period of this work.

I sincerely remember my parents with love and respect for their good wishes and encouragement during this study.

Last but not the least, I remember my wife Meena for spending lonely years during the course of this study. The value of her good wishes and inspiration far exceeds what the words of appreciation can express.
