ACKNOWLEDGEMENT

I have indeed no words to express my gratitude to ever sympathetic guide Prof. Dr. M.K. Yagnik, Head, P.G. Department of Education, Sardar Patel University, Vallabh Vidyanagar for invaluable guidance and inspirations. In the absence of him, this thesis would not have been completed.

I would also note with deep sense of gratitude, the contribution given by Dr. K.S. Likhia and Professors of Department of Education, Sardar Patel University and Dr. Kanchana Watthayu, the National Institute for Development of Teachers, Faculty Staff, and Educational Personnel.

I am also grateful to the secondary school administrators in the Eastern part of Thailand whose provided the data and all the information. I indeed thank them all who have directly or indirectly extended their help.

Finally, specially, the thanks are also due to my parents, and my wife who helped and provided the strong will-power during a longer period of study.
