It is a great pleasure for me to express my deep sense of indebtedness to Prof. V. M. Pathak for his valuable and inspiring guidance throughout the work.

I also wish to record my sincere thanks to Prof. A. R. Jani, Head, Department of Physics, Sardar Patel University for providing the facilities in the department.

I acknowledge with gratitude Prof. R. Srivastava for his inspiration and suggestions at various stages of the present work. I am very much grateful to Dr. K. D. Patel, Mr. G. K. Solanki and Dr. M. P. Deshpande for their kind support and encouragement during the tenure of this work. My thanks are also due to the faculty members and all others in the department, who have directly or indirectly helped me.

I wish to record my sense of gratitude to Mr. S. M. Modi, Honorable President of Banaskantha District Kelavani Mandal, Palanpur and all the executive committee members. I am highly thankful to Dr. M. V. Hathi, Principal and Prof. J. R. Patel, Head, Physics department, R. R. Mehta College of Science and C. L. Parikh College of Commerce, Palanpur for their kind generosity in giving me necessary permission to join the Ph.D programme. My special thanks also go to the Principal of G. D. Modi Arts College, Palanpur, Mr. G. I. Thakar for his kind inspiration. My thanks are also due to Mr. M. M. Chaudhari, Mr. R. D. Joshi and all other staff members of my college.
I am indebted to University Grants Commission, New Delhi, for the financial assistance in the form of FIP Programme during the IX plan period.

I also wish to express my feelings of extremely heartfelt thanks to my research colleagues Mr. Roshan Mathew, Mr. B. P. Modi, Mr. R. K. Shah, Mr. Jayesh Das, Miss. Achamma John, Miss. Priyavanda Rathod, Miss. Deepa MakhiJa, Mr. C. A. Patel, Mr. Vipul Patel, Miss Anjana Kothari, Mr. Bobby Antony and Mr. R. H. Parmar, for their generous help as and when required.

A word of gratitude to the University Science and Instrumentation Center (USIC) for the help rendered to me.

I like to remember my parents and other members of my family whose goodwill and inspiration far exceeds what the words of appreciation can express.

Last, but not the least, I value the love of my wife Swarika, son Jay and daughter Meitreyee who have spent days and months together without me. Their constant source of encouragement, untiring support and faith helped me without which I would not be able to complete this work.

Rajendra Prasad J. Pathak.
