List of publications and presentation

Title: Optical Processes in charge transfer complexes of green malachite
Parimal Trivedi, Ashok Patel, R G Patel, A.T. Oza

Title: Spectroscopic study of charge transfer on photoconductivity of quinhydrone
Parimal Trivedi, R. G. Patel, Ashok Patel, A.T. Oza

Title: Infrared spectra of some ternary organic conductors based on benzidine as a donor
Ashok Patel, Parimal Trivedi, A. T. Oza

Spectroscopic Study of Ternary CT Complexes Based on the Organometallic Donor-Bis(Diphenylglyoximato)Ni"
Ashok Patel, A.T. Oza

(5) Topical Conference on Atomic and Molecular Physics held at v.v.nagar, S.P. University, GUJARAT
Poster presentation: Title "collision processes of charge carriers in organic semiconductors" Jan 2008
Ashok Patel, A T Oza.
