

Acknowledgments

I am deeply indebted and grateful to my research supervisor **Prof. (Dr.) Dinesh Kumar, Chairman, Electronic Science Department, Kurukshetra University** for his continuous unwavering support, guidance at every step during the execution of this research work. His poise and cheerful wholeheartedness to share his expertise and knowledge helped me in achieving my goal.

I am deeply indebted and immensely grateful to **Dr. S. K. Koul, Scientist 'G', SSPL**, my research co-supervisor for his support and valuable guidance in the work carried out. He was always available for discussion, shared his expertise and spared his valuable time for this work. His guidance and motivation kept me going. This thesis wouldn't have been possible without his support.

I would like to express my deep gratitude to **Dr. M. U. Sharma, Scientist 'G' Head, SAW Group, SSPL** for his invaluable support, guidance, inspiration and motivation to successfully complete this dissertation.

I would also like to profusely thank **Dr. K. D. Nayak, Distinguished Scientist & Director General (Micro Electronic Devices & Computational Systems), DRDO** for his blessings and support. I am also immensely grateful to **Sh. V. P. Goel, Director PM (Micro Electronic Devices) O/o DG (MED & Cos)** and **Director, Solid State Physics Laboratory (SSPL), Delhi** for having granted me permission to carry out the work at SSPL and all guidance, encouragement and support.

I would like to thank **Prof. Anil Vohra and Prof. B. Prasad, Electronic Science Department, Kurukshetra University** for their constant motivation and support throughout my research period. Their friendly approach always encouraged me in maintaining an optimistic approach. I am grateful to the **Faculty, Electronic Science Department, Kurukshetra University** for their co-operation & support throughout my research period.

I would like to express my deep gratitude to my colleague **Dr. A. Theodore Nimal, Scientist 'F', SAW Group, SSPL** for his invaluable

support. I would like to especially extend my gratitude to my colleagues **Shyamali Thakur, Amit Kumar, Upendra Mittal, Fahim, Pallav Tripathi, Jitender, Devendra Barlewar** and **Harpreet Singh** for their constant support and encouragement throughout my research tenure. They were always eager to extend all help at every stage.

I take this opportunity to convey my thankfulness to **Dr. Ashok Kapoor**, Head Characterization Lab, SSPL and to **Akhilesh Pandey, Anand Kumar, Sandeep Dalal, Karan Chandok, Jaya Lohani** and **Poornendu Chaturvedi** for characterization.

I also convey my thanks to **Mrs. Veena Makhija**, Head TIRC, SSPL, and to **Tanzeem Karimi, Bharatveer, Satwinder** and **Rambali** for their help in finding literature/information relevant for the research.

I take this opportunity to thank **Mamta, Ramesh, Lokesh, Naveen Chibbar**, office staff of Electronic Science Department, **Kurukshetra University** for their help at every juncture of my work.

On a personal note, I wish to thank my wife **Beena**, son **Devashish** and daughter **Kriti** for their infinite patience and sacrifices, boundless love and everlasting support that sustained me through the best and worst of times.

I am grateful to my mother **Smt. Bala Devi** who always supported me and it is due to her eternal blessings that I could complete my work. I dedicate my present work to her.

Anand Ballabh Dhaulakhandi
