9. LIST OF PUBLICATIONS

Paper published in Refereed Journals

   S. Induja* and P.S. Raghavan

2. Catalytic efficiency of copper oxide in degradation of phenol using Sintered Calcium Phosphate (SCaP) as catalyst support

   S. Induja* and P.S. Raghavan

   *Catalysis Communications, 2013, 33, 7-10.

Paper presented in International Conferences

1. Studies on water degradable glass matrix containing nano silver for antibacterial application over textiles.

   S. Induja*, P.S. Raghavan
   (Received “The Best Paper Award”)

2. Conversion of Acrylonitrile to Acrylamide without forming Acrylicacid over Nanocopper,

P.S. Raghavan*, S. Induja

PATENTS

1. Sintered calcium phosphate as catalyst support
