ACKNOWLEDGEMENT

At the end of my thesis, it is a pleasant task to express my thanks to all those who contributed in many ways to the success of this study and made it an unforgettable experience for me. Thesis acknowledgment gives me an opportunity to show my gratitude for the people for their dedication, prayer and support.

I express my deep sense of gratitude to my guide Dr. Sunil I Marjadi, Director, Campus Director, Shree Nootan Kelavani Mandal, Valsad. It is a matter of honor and pride to get an opportunity to carry out research work under his precious and able guidance. I will always be thankful for his wisdom, inspiring guidance and profound scientific knowledge. I am indeed fascinated by his divine grace, had work and helpful nature. I am grateful to him for giving me an opportunity to work under him.

I extend my sincere thanks Dr. K. C. Patel, Professor and Head, all the teachers and non teaching staff of the Chemistry Department, V.N.S.G.U., Surat for their blessing and humble support.

I am also thankful to the professors of B.K.M. Science College, Department of Chemistry for their valuable guidance and for providing research facilities.

I am very thankful to Mr. Manish Patel, Manager (Quality Control), IPCA Laboratory, for providing research facilities. I am also thankful to QC staff for their excellent support throughout the practical works.

I am highly indebted to Dr. Gitaben Desai, Dr. G.M. Malik, Dr. P.L. Farasram, and Dr. H. S. Patel for their blessing and moral support during my research work.

My warm thanks to Dr. Vinaykumar Mahyavansi, to motivate me in the correct direction during my hard time.
Perhaps the words can never be sufficient to express the utmost feeling to my beloved family members. I still make an effort to convey my heartfelt gratitude and regards to my respected father Vasantlal Joshi and mother Sarlaben Joshi, for giving me the life and for their constant encouragement before and during my study.

I would never forget the help rendered by Devang Kumar Naik, Pooja Purohit, Yogita Didi and Nimesh Jijaji.

I must acknowledge the great encouragement from my Father-in-law Narendra Vadi, Grand Mother-in-law Bhagirathi Ba, Daughter Nandini and Son Nandan without whom it would have been a difficult task for me to fulfil my ambition.

Last but not the least, I wish to express my deep sense of gratitude to my husband Dr. Mayurkumar N. Vadi for his constant encouragement and moral support throughout the work.

Lastly, I express my gratitude and apologize to all those who have helped me directly or indirectly during my research tenure and whose contribution could not be mentioned in this page.
