ACKNOWLEDGEMENTS

It gives me immense pleasure and pride to express my deep sense of gratitude and respect for my teacher and guide Dr. (Mrs) Kaiser Jamil, Director, School of Biotechnology, MGNIRSA, University of Mysore, Hyderabad, for her evergreen expertise and inspiring guidance throughout the period of my work. I am indebted to her for enlightening me on the finer skills of dealing with research problems. She is the one behind giving me a decisive turn and significant boost to my career. I consider myself one of the fortunate people to be associated with her.

I should justify myself by expressing my sincere thanks to Prof. K. Anjannapa, Director General, MGNIRSA, Hyderabad for providing me an opportunity to do my Doctoral studies.

It is my privilege to thank Dr. D. Suresh Registrar, MGNIRSA, Hyderabad, Andhra Pradesh, for the valuable guidance and useful suggestion during the progress of my study.

It is my privilege to thank Prof. P. P. Reddy MGNIRSA, Hyderabad, Andhra Pradesh, for the valuable guidance and useful suggestion during the progress of my study.

I am highly obliged to Dr. Prakash V. Diwan Director and Dean School of Pharmacy and Dr. P. Rajeshwar Reddy chairman, Anurag Group of Institutions, Hyderabad, Andhra Pradesh, for providing the infrastructure and encouragement during the progress of my study.

I express sincere my thanks to Mr. Abdul Bari Mohd. Director, Bright Labs, Hyderabad, for giving valuable technical support and suggestions during the course of the study.

My hearty thanks to Mr. Manikanta Kumar Department of Pharmaceutical Analysis KLE College, Belgaum Karnataka. For listening to some of my difficult
times with utmost patience and for the support, encouragement all throughout my Ph.D period and showering an invaluable family affection on me.

I am highly indebted to Dr.A.N.Singh Director and Dr.R.Ravinder, General Manager, Celestial Biolabs for there timely advice support and encouragement during progress of my work.

Words are not enough to express my thanks to my Beloved Parents to whom I owe my very existence. Their blessings and prayers only helped me in reaching this goal.

I am very grateful to Big Brother A.V.Chalapathi Rao and family for their moral encouragement, blessings, inspirations, good wishes and for their prayers throughout my career.

It is my privilege to thank A. Srikanth Rao and family, for their blessings and inspirations during my project work, and I express my heartfelt thank.
