ACKNOWLEDGEMENT

On completion of this thesis, I avail myself of this proud opportunity, took place on record my deep sense of indebtedness and profound gratitude. I am extremely grateful to my supervisor Dr.(Smt.) Maya Shedpure, Assistant Professor, Department of Zoology, Govt. D.B. Girls' P. G. College, Raipur (C.G.) for her invulnerable guidance, unfailing encouragement, opportune advice and facilities extended to me during the tenure of my research work.

I am very fortunate to get all necessary help and suggestion from Prof. Arttabandhu Mishra, Environmental Biology section, School of Life Sciences, Sambalpur University, Sambalpur and Dr. B.P. Das, Head, Department of Zoology, Govt. (autonomous) college Bhawanipatna and I shall remain grateful to them.

I am also thankful to Prof. P. Gartia, Principal Khariar College, Khariar and Dr. (Smt.) Gita Tiwari, Principal Govt. D.B. Girls' P. G. College, Raipur (C.G.) for their kind permission and necessary help while conducting this modest work.

I am also thankful to Dr. R.K. Jalan, Director CIFA, Bhubaneswar; Dr. S.K. Adhikari, Scientist, CIFA; Prof. Arvind Kumar, S. K. University, Dumka; Dr. (Smt.) V. Zargar, Dr. (Smt.) S. Sinha, Govt. D.B. Girls' P. G. College, Raipur; Maj. Dr. R.C. Mishra, Dr. S. Chatterji, Dr. N. C. Dash, of Khariar College, Khariar.

My thanks are also due to Basu and Jitu research scholar, School of Life Sciences, Sambalpur University; Recha, Swati and Neha research scholar, Govt. D. B. Girls’ P. G. college, Raipur, Bijay and Sibaji research scholar, School of Environmental Sciences, Jawaharlal Nehru University, New Delhi.

I am also thankful to Mr. Sobharam Sahu, officer in charge academic section, Pt. Ravishankar Shukla University, Raipur, office staffs and laboratory staff Govt. D. B. Girls’ P. G. College, Raipur.

I shall be failing in my duty if I do not acknowledge the constantly assistance and kind deal metted out to me by my parents and sister Pushpa.

Finally, I am thankful to my colleague, friends, students and the supporting villagers of F-community for their unreserved helps during the propagation of this study.

Manoja Kumar Mahapatra
