ACKNOWLEDGEMENT

If one has honest deeds and intentions, then the whole cosmos conspires to lead you to the goal. In this very order of acknowledgement, I divinely thank God and the universal energy, that I was able to complete this program in a period of four years.

I sincerely thank my Thesis Advisory Committee (TAC) Chairperson, Prof. Ranjeet Nambudiri, for the guidance and support that he rendered me with. More importantly, I am also thankful to him because, it was his doctoral course in the FPM program that provided an opportunity for germination of an idea which has matured into this thesis work. Besides the learning about how to conduct smart research, an important thing that I learned from him is how to conduct oneself as a rational and ethical human being. Sir, I am privileged that I was able to fetch your guidance during a crucial learning phase in my life. I thank you Sir for being a guide, teacher, and mentor.

I thank Prof. Patturaja Selvaraj for being a part of my TAC; for me he is a teacher and a respected friend. I am sincerely thankful to him for the much needed support that he provided to me by saying “I’ll help you in SEM analysis”. This was essential for me, since it gave me a confidence that I have someone to guide me with a new tool. For me, his happiness-filled and confidence-boosting interactions were real motivators when needed.

I thank Prof. Jayasimha K R for being my TAC member. Being an expert from other area, he always provided a different and accentuating perspective on my work. For me, talking to him always generated confidence; and he always motivated me that I shall excel in my work.

I heartily thank my parents, Shri. B K Totawar and Smt. Lata Totawar, my brother, Bhushan, for their respect, love and unconditional support that always provided me with a comforting energy. As a part of my family, I lovingly thank my fiancée, Ms. Papri Nath, who is the driving force behind all my success. She as a friend and a colleague significantly helped me throughout my research work. I thank her for the selfless support that she provided me.

I thank the FPM Chair, Prof. Ganesh N., for his support and promptness in responding to any of my queries; for me he acted as a catalyst by facilitating my defence seminar. In this direction, I also thank my TEC members, Prof. S K Ghosh, Prof. Prashant Salwan, and Prof. N M Agrawal (IIM Bangalore), for their valuable and constructive comments on my work.

I take this opportunity to thank Mr. Gopal Jadon and Mr. Vilas N., from IIM Indore Library; who were quite prompt to reply to my emails requesting for articles.

Affectionate thanks to Prof. Arvind Shatdal, Prof. Srinivas Gunta, Prof. Vinay Mishra (BSSS, Bhopal), and Prof. B K Upadhyay (IIFM, Bhopal), for being a form of social support to me. I thank my friends – Krishna, Piyush, Aditya, Anuj, Vishnu, Rajeev, Alok, and my senior Kunal Sir; I am thankful to them for keeping the work environment amicable. Finally, my thanks all those who go unnamed here but have contributed in different ways to my thesis work.
