Acknowledgements

Acknowledging the helps rendered by one and all during the conduct of research work is most important and without that, this work won’t be complete.

The first and most important person to be thanked is my teacher and guide Prof. Dr. Srinivasan K K. His guidance, criticisms, timely support and care extended helped me in completing this work successfully.

I am utilizing this opportunity to thank Dr. Jyoti Harindran, Principal and Prof. i/c of research for all the help extended to me during this work and for all suggestions given to me. Former Principals, Dr. N A Aleykutty and Prof. J Emmanuel are the other people to be remembered on this occasion. The help extended by Prof. Dr. K M Joseph, former Director, SME is also acknowledged herewith.

As one among the first batch of research scholars of this institution, I feel, it is right to say a good word to Prof. K Sadasivan Nair, member of the syndicate who helped to elevate this institution to the status of research institute.

The facility provided to perform docking studies by Mr. P. Sriganesan, Principal i/c University College of Pharmacy, Puthuppally, is sincerely remembered on this occasion.

I would like to express my sincere thanks to one and all the colleagues of my home institution at Cheruvandoor and sister institution at Puthuppally. Helps rendered during docking studies by Mr. Mohammed Sadiq, Mr. Deepu K P and Mr. Vishal C is also acknowledged sincerely.

Help extended by Dr. N Udupa, Dr. S N Rao, Dr. Mallikarjuna Rao, Dr. Gopalankutty, Dr. Srinivas Reddy, Dr. Jesil Mathew, Mr. N V S Karthik, Mrs. Athulya, Dr. Rajesh, Mr. Anup Krishnan, Dr. Richard Lobo, Dr. Rokha, Mrs. Geetha Mathew, and Mrs. Angel of Manipal College of Pharmaceutical Sciences, Manipal are also acknowledged herewith.

Prof. Dr. K V George, Prof. of Botany, CMS college, Kottayam helped me in the identification of the plants and his help is also acknowledged herewith.

Help extended by Dr. Ibnu Saud, IIRBS, Mrs. Divya, Miss. Deena, Mr. Prasanth and Mr. Anilkumar are also acknowledged herewith. Dr. Aravindkumar, Dr. Ramaswamy, Dr. A P Thomas and Mr. Sailesh, School of Environmental sciences also helped during this work.
Help rendered by Dr. Ashok G, Dr. Santhosh Dongre, Mr. Pavan, Mr. Sitharam and Mrs Sukeena of Radiant research services is also acknowledged sincerely.

This work will help to improve my academic knowledge; also will give me a higher qualification. The results of this work may bring out some light in developing antidiabetic research. Then also there is no excuse for the pain caused to all the animals used in this experiment. So, I am requesting apology of the almighty for the pain suffered by all the animals used in this experiment. Services rendered by Dr. Vam Seedhar, pathologist of Aptus biosciences is also acknowledged herewith.

I am utilizing this opportunity to thank Mr. Abhilash, scientific officer, Natural Remedies Pvt. Ltd. Bangalore, Mr. Mahesh, Mrs. Geetha, Mrs Jaya, Mr. Anirban and Mr. Arun of the same organization for giving me helps during LC MS and LC MS-MS studies of this work.

Sincere thanks are due to Dr. Chandrasekhar, Mrs. Lalitha, Mr. Sudhakar and Mr. Ajit, department of Chemistry, MIT for various helps extended in performing IR studies during my work. Services rendered by Mrs. Supreetha and Mrs. Chaithanya of MIT during the NMR spectrum recording are also acknowledged sincerely.

Help extended by Dr. Mini Varma, a friend of my wife, late Dr. John are also acknowledged herewith. My thanks are due to Prof. Mrs. Elizabeth and her husband Mr. Simon Easaw for the help given during the language correction of the book.

Helps given by my cousin Mr. Vikraman and his family during the collection of plants are not forgettable. Services of many villagers, those who helped me in the collection of the plants are also acknowledged herewith.

Services of Mr. Unni, Minitek during the record preparation work are also sincerely thanked.

My wife, children, parents and all other family members also helped me a lot in the completion of this work.

May I conclude the acknowledgement by saying thanks once again to Almighty for giving me an opportunity to do this work and for the satisfactory completion.

Krishna Kumar K R
