Acknowledgement

First of all, I am thankful to my god Swaminarayan, My Spiritual Guru P. Pramukhswami Mahraj and My life Guider P.Apurvmuni Swami because without them blessing, I cannot think and go ahead in research field.

Secondly, I am thankful to my Parents because without them love and support, I can not reach on highest qualification of academic field.

Thirdly, I am also thankful to My Research Guider Dr. Pankaj K. Trivedi and present vice chancellor of Saurashtra University, Dr.Pratapsihnji Chauhan who have given me opportunity by accepting my research proposal and also given them valuable time at each stage of this research work and put them trust on me like general people.

Forthly, I am also thankful to Saurashtra University MBA Department Head, Dr.Sanjay Bhayani and M.Com Department Dean, Dr. Daxa P. Chauhan who have approved structure of my Questionnaire and also Dr.Butalal Ajmera, Assistant professor of MBA Department of M.K.B.U. and Mr. Mukesh Ajmera helped me to prepare and approved hypothesis of my study.

Fifthly, I am also hardly thankful to all government and self-finance schools and colleges trustees, principals, teaching staff, administration staff because without them permission and positive response, the research in education field would only dream for me.

Sixthly, I am also obliged very very specially to all my friends, my past and present employer and employees and co-operator directly and indirectly by giving them useable guidance in my research work.
