ACKNOWLEDGEMENTS

Many people have contributed their ideas, time, and energy in my pursuit of this PhD research. I wish it was possible to thank them all. First thanks must go to my supervisor, Dr. Pradeep M. Patil, who has been truly inspirational throughout my candidature. I would like to thank him for all their guidance, rewarding discussions, cooperation, encouragements, and lasting support to my study and my life. I have been blessed to find in him all the good qualities of a supervisor.

I express my gratitude to Dr. V. N. Waliwadekar, Director, DOECC (Formerly CEDTI), Aurangabad, India, for his constant encouragement and strong support during the completion of this work.

I express my sincere thanks to Hon. Dr. Padmasinhji B. Patil (Member of Parliament), Hon. Ranajagiitsinhji P. Patil (MLC) and Prof. Prashant S. Kolhe (MC) for their moral support and inspiration during this research work. I also take this opportunity to thank Dr. D. S. Bormane, Dr. S. M. Jagade, Dr. U.B. Shinde, Dr. P. A. Deshmukh, Dr. R. G. Tated, Dr. U. D. Shiurkar, Dr. Devanand Shinde, Dr. S.D. Deshmukh, Dr. M. H. Kolekar, Dr. S. S. Mande, Dr. Santosh Jadhav, Dr. U. S. Kanade, Prof. R. R. Deshmukh, Prof. P. B. Shitole, Mr. Rahul R. Yawalkar, Adv. S. R. Yawalkar, Mrs. S. A. Gunjal, Mr. B. M. Padwal for their cooperation and encouragement during this research work.

I wish to express my deepest sense of gratitude to my parents and all family members for their moral support and blessings, which enabled me to complete this task.

My heartfelt thanks go to Jaya, my wife for her understanding and unending patience, and to my kids Anand and Raj who had to miss many affectionate hours during this work.

Last but foremost, I would like to thank to all individuals who have helped directly or indirectly during the progress of this work.
