ACKNOWLEDGEMENTS

It is a great endeavour to present this research work. The journey began with an interest in communication along with a silent wish to acquire some deep knowledge. There was a faint idea in mind how tough is the path to reach this goal. Devotion towards work and sincerity paid for the completion of this work. The other contributory individuals along with played a key role in achieving this goal. This is a symbolic expression of very huge in debt fullness to all of them.

I express my deep sense of gratitude to my research guide Dr. B. P. Patil, Professor and Head Department of E & TC, Army Institute of Technology, Dighi, Pune, for his guidance. His constant encouragement along with inspiration cherished me for working still harder on this research. His words of great concern and wisdom made the path towards the aim quite simple. I am really fortunate and obliged to have him as my guide. I think it a great honor for me to work under his expert guidance. His eminent teachings made it possible to overcome the various obstacles during this work. In this vast ocean of research work my honorable guide seemed as a light house guiding my ship of research towards the shores of completion. Without his guidance and persistent help this research work would not have been possible.

I am really in debt full to honorable Mr. A. N. Kadam Secretary Mahatma Gandhi Mission, Mr. P. S. Borade DTE Mahatma Gandhi Mission and Dr. S. D. Deshmukh, Principal of J.N.E.C. Aurangabad for their trust shown on me and gave me permission for the research study.

I am grateful to the staff at NIELIT Aurangabad Dr. V.N. Waliwadekar (Former Director of NIELIT) Prof. Valunjkar, Prof. Gogiya, Mr. Hursulkar for their help in
completing this work. My sincere thanks to Dr. P. A. Deshumkh (Former Dean of Engineering faculty, Dr. Babasaheb Ambedkar Marthwada University), Prof. C. M. Deshpande, Prof. Mokle for their guidance and valuable suggestions. Mr. Sachin and Mr. Lokhande needs to be mentioned here for the kind their help.

I sincerely thank all the staff of Electronics Engineering Department, J.N.E.C., Aurangabad for the co-operation received, specially for Mrs. A. P. Phatale, Miss. M. A. Mulay and Mrs. M. K. Dhawade.

I would like to thank my husband and wards and all family members who stood behind me in rain or shine. Their loving and caring words were sources of encouragement to me and I am deeply grateful for them. I must mention the help and support I received from my family member Mrs. Mangal Biradar.

I lastly thank to all those who helped me directly or indirectly during the completion of my course. I also thank all my well-wishers for their constant source of encouragement and moral support during the course of my work.
