Acknowledgement

Praise is to God, the creator and the custodian of the universe. I offer all praises and gratitude to Almighty God, the creator who blessed me with vision, energy, courage and patience to pursue my studies.

I extend my heartfelt, deepest, appreciations and sincere gratitude to my Research Guide Dr. Ankur Saxena, Reader, Faculty of Social Work, M.S. University, Vadodara, for his continuous support and research guidance in completing this task. I feel myself fortunate to have such kind of co-operative person as research advisor whose multifarious experience became learning for life to me. I am proud to have his unending support and humble appreciations and also thanks for his tireless effort, time and dedications in completing this thesis successfully. I am really thankful for his inputs, words of support and professional advisory guidance which kept me all the way on the track.

I owe special debt, deepest respect and appreciations to Dr. D.K. Laldas, Director, Research Centre, Rorda Mistry College of Social Work, Hyderabad. His unfailing practice, vast and global experiencing, consistent encouragement, co-operations, dynamic and academic leadership and constant inspirations help me to recognize that even the most challenging goals can be achieved with persistence, commitment and foresight.

I cannot forget the co-operations and support extended by all respondents and industrial personnel for sparing their valuable time and sharing their experience related to organisations culture, productivity, leadership and organisational effectiveness in spite of their busy schedule.

I owe my heartfelt gratitude to Dr. Bigi Thomas, I/C Director, Department of Social Work, Sardar Patel University, Vallabh Vidyanagar for being unfailing source of inspirations and encouragement for completing this thesis.

I would ever remember sincere, co-operations of Mr. Dhramesh Raikundaliya, Lecturer, Department of Statistics, Sardar Patel University, for his expert assistance, professional opinion and encouragement extended to me during this research work.

I am grateful to the authorities of Sardar Patel University, Vallabh Vidyanagar for the administrative support and guidance in research work.

I am also thankful to Mr. Rajesh of Akshar Computer, Vallabh Vidyanagar for helping me out in computer guidance and formatting thesis content.

The completion of this research is due to the impact of the interaction of the relationships of many people in my own life including sinpri. In fact so many people contribute that I could not mention the name one by one. My sincere appreciation is extended to those who have extended their help, encouragement, understanding, and hospitality, without their contributions this thesis could not have been possible.

Finally, I ascribe my humble achievement to my Mother and Late Father. Their blessings and unabated encouragement helped me to complete my task. Words cannot adequately express the gratitude I have for my beloved sister and brother whose affections, love and sacrifice made this study possible.
