ACKNOWLEDGEMENT

Words cannot express my gratitude to my research supervisor Dr. T.V. Geetha, HOD, DCSE, for providing constant support, invaluable guidance, kindness and constant encouragement throughout the period of my research. She has been a constant source of inspiration for me. Special thanks for teaching me the important lessons of how to validate scientific work and how to present it.

I am immensely grateful to Dr. K. Ethirajulu, Principal, Dr. P. Thambidurai, HOD, Department of CSE&IT and the management of Pondicherry Engineering College, for sponsoring my Ph.D programme under the QIP scheme.

I would like to deeply express my gratitude to my doctoral committee members Dr. Ranjani Parthasarathi, AP, DCSE, Anna University and Dr. Deepak Khemani, AP, DCSE, IIT, Chennai for their valuable suggestions based on which the quality of my research work has been improved.

I convey my thanks to all the faculty members and the project members of RCILTS-TAMIL, DCSE, Anna University for the great support, help and encouragement they have rendered during the course of my research period.

I am deeply indebted to my husband, son, daughter, parents, brother and sisters for their love and support. Without their support, friendship and patience through the hard times this work would not have been possible.
