The name of my town is Keshod. My town is big and very beautiful. There are many temples in my town. We are going to temples everyday and offered our prayers with great devotion. There is a garden in my town. It is a very big and clearest garden. It is very beautiful too. We love nature so we go to garden and get a lot of enjoy. There are many huge buildings in my town. They are very fine. There are many schools in my town. These schools are very big. Patel vidyalaya.
**APPENDIX 9**

*Postman*

Anjibhai is a postman. He gets up early in the morning. He gets ready quickly. He puts on his khaki uniform and goes to the village post office. He collects letters and magazines from there. He also collects parcels and money orders. He puts them in his bag. He then delivers the letters and parcels, magazines and money orders. He visits several places. He moves from house to house and visits several places.

**Dharamendra Rathor**

Dharamendra Rathor is a teacher. He is good at teaching the pupils. Dharamendra Rathor is regularly and kindly.

I love you.

Soildog

I am from New Japan. I saved the country. My name is Nan Singh Sheding Thukor. I am kind.
APPENDIX 9 g

Once there was a cup. Selling he had a bottle of cups. He was tired. He stopped under a tree. It was cool there. He closed his eyes and fell asleep. That he gets up he see that his cups. He see on the tree there was a monkey on the tree the cup is on the monkey's hand. He felt down his cap. So the monkey's are, fell down his cap.
Sharpening a Pencil:

I will take a pencil. I will examine whether the pencil has a lead. I will take the pencil in the left hand and the blade in the right hand. I will move the right hand towards I will the lead comes out.
