ACKNOWLEDGEMENT

I am immensely grateful to the professional advice, support and guidance provided to me by my research guide Shri H. J. Jani, Professor, G. H. Patel Post Graduate Institute of Business Management, Sardar Patel University, Vallabh Vidyanagar. The thesis for the Ph.D would not have been completed, but for his cheerful support and direction, that too despite his official commitments. I acknowledge the encouragement provided to me by my colleagues for completing the work.

I acknowledge with sincerity the research support provided by my colleagues and friends in Industries Department and Industries Commissioner's Office. But for them, the essence of research and the qualitative information would not have been obtained. I remember with gratitude, the services of Shri Janak R. Shah, who cheerfully worked on entry of numerous drafts of my research work.

Last but not the least; I thank my dear sister, Meena for giving moral strength to complete the work.
