This thesis is the result of just not my research work but the outcome of the support, cooperation and encouragement of all those who accompanied me and gave me strength to complete this task. I have now the opportunity to express my gratitude to all of them.

First of all I sincerely express my gratitude to my respected teacher and guide, Dr. R. A. Mane, for his supervision, advice, guidance and enriching experience throughout the research journey. His continuous support and patience provided perfect environment for me to grow as a chemist and as an individual. His optimistic and energetic attitude, integral view on research and leadership qualities has made a deep impression on me. I consider myself fortunate in having a guide like him and my gratefulness to him cannot be expressed in words.

I would like to thank Professor B. R. Arbad, Head, Department of Chemistry, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad, for providing necessary facilities for the research work.

Sincere thanks are extended to, Professor M. S. Shingare, Professor C. H. Gill, Professor T. K. Chondhekar, Dr. Bapurao Shingate, Dr. Bhaskar Sathe, Mrs. G. M. Bondle, Mrs. A. S. Chavan and other faculty members of Department of Chemistry, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad, for their encouragement and cooperation during the progress of the work.

I am grateful to Dr. Babasaheb Ambedkar Marathwada University, Authorities, for awarding “Professor D. V. Jahagirdar Research Fellowship.”

I am very much thankful to Central Drug and Research Institute (CDRI), Lucknow for providing molecular scanning and screening services.

I also convey my sincere thanks to Dr. Keshav Deo for allowing me for advance research training at Wockhardt Research Centre, Aurangabad and to Dr. Shivakumar, Dr. Kishor Gaikwad for their cooperation during the training.

It is indeed a great pleasure to express my extreme indebtedness to Dr. Jyotirling Mali for their cooperation during the progress of the work.
I have a big sense of gratitude to my senior colleagues, Dr. S. B. Munde, Dr. Shital Mahalle, Dr. Jakir Shaikh, Dr. P. D. Netankar, Dr. V. B. Jagrut, Dr. D. L. Lingampalle, Dr. R. A. Waghmare, Dr. Aparna A. Mulay, Dr. Meghmala Sangvikar, Dr. U. R. Pratap, Dr. Dhanaji Jawale, Dr. A. H. Kategaonkar, Dr. Anandgaonkar, Dr. D. R. Nagargaje, Dr. S. A. Sadaphal, Dr. S. S. Sonar, Dr. S. B. Sapkal, Dr. R. S. Balaskar, Dr. R. S. Joshi and Dr. Santosh Katkar. I gratefully thank all for their constant help and sincere cooperation.

I am also thankful to my colleagues Mr. Balaji Londhe, Mr. Lalit Khillare, Mr. Amarsinh Deshmukh, Mr. Sambhaji Dhumal, Mr. Mahendra Bhalerao, Mr. Pravin Mahajan, Mr. Mukesh Nikam, Mr. Jitendra Gujar, Mr. Mubarak Shaikh, Mr. Dnyaneshwar Subhedar, who ever stood beside me with their helping hands and moral support.

I am grateful to my dearest friends Dr. Asha Chate, Dr. Pravin Shinde and Mr. Kailash Pawar. I consider myself blessed that I have got great friends like them, who helped me in various ways.

I would like to give my special thanks to my husband, Mr. Sambhaji Deshmukh, who was always there standing by my side at all times. Thank you so much for your never ending love, care, support and affection which was my driving force to achieve this task.

Words fall short in expressing my heart-felt veneration for my family members, who formed part of my vision and taught me good things that really matter in life. I owe to my parents Shri Rajaram Bhosle, Smt. Mandar Bhosle, my in laws Shri. Shivajirao Deshmukh, Smt. Mangal Deshmukh, Dr. Dnyaneshwar, my sister Vrushali, Komal and brother Bramhanand whose blessings and energetic support kept me going to achieve this task.

Finally, I appreciate my gorgeous daughter, Vedashree for her love and affection during the tenure of the work.

I express my thanks to non-teaching staff of the Department of Chemistry for their kind assistance.

Lastly, I would thank God for giving me the strength and wisdom to complete this task and sending all the above mentioned people in my life as his angels.
