ACKNOWLEDGEMENTS

I owe a special debt of gratitude to my family, my husband Captain Charles Manuel IN (Retd), my daughters Anjali and Alisha for their tremendous support, encouragement and faith in me, specially Alisha who always reminds me to, “Relax, take it easy”.

My sincere appreciation to my guide Dr. B.L. Barnes for patiently answering my doubts and questions, for telling me to go ahead and finish, for keeping me focused when I tended to meander into blind alleys during my research.

I am extremely grateful to the authorities of the Indian Navy who have given me permission to interview Naval Officers, To the Chief of the Naval Staff, Admiral Arun Prakash PVSM, AVSM, VC, VSM, ADC, my thanks. To the Chief of Personnel, Vice Admiral V. Bharathan AVSM, VSM, my thanks. I trust that the findings of this research may be of use to the Navy and the Armed Forces.

My sincere thanks to all the participants for their cooperation and the time they spent in answering the tools and instruments. The data that was collected was but one part of it. The enthusiasm, the pride and the sense of commitment I encountered have endeared you to me forever. From the e-mails I received to the women under trainees who said, “Ma'am please come again, we'd like a lecture from you,” your sense of purpose shone through. I hope you recognize my sincere efforts to maintain the confidentiality of your communications and hope in the long run that
the findings of this research may have some positive influence on you and the environment in which you work.

I would like to specially thank Jeanne, for her excellent typing and formatting of this manuscript, thank you for your patience. My thanks to Pearl for careful proof reading. My thanks to the librarians at Dhempe College of Arts and Science, SNDT Universities at Juhu and Churchgate, University of Mumbai, the Tata Institute of Social Sciences, Ship's libraries at INS Mandovi and National Defense College Library, New Delhi.

My thanks to Dr. D.P. Singh and the computer center at Tata Institute of Social Sciences for data analysis using the SPSS package. My gratitude is on record to Dr. Sushma Mehrotra for use of the NEO PI-R materials and manual and to the Psychology Dept, SNDT for use of the POI materials and manual.

To the University Grants Commission under whose Faculty Improvement Programme this research has been possible my special thanks. To the Principal of Dhempe College Dr. S. V. Deshpande, who has given me leave to complete this work, and to the Vice Principal Dr. R. Pinto who, as acting principal gave the go ahead to apply for the F.I.P. my grateful thanks.

Finally, thank you, Jennie for the initial push and encouragement, thank you, to all my friends for being there for me, and thank you, to my colleagues at Sophia, St. Mira’s and Dhempe Colleges who have been true friends.
