Acknowledgements

I humbly bow my head at the feet of God Almighty for giving me the opportunity to take up this research work, and the blessings showered upon me throughout this programme.

I record my profound gratitude and indebtedness to my Supervising teachers Dr. Sabu Thomas, Reader School of Chemical Sciences, Mahatma Gandhi University, Kottayam, and Dr. K.N. Ninan, Group Director, PSC Division, Vikram Sarabhai Space Centre, Thiruvananthapuram, for kindly suggesting the topic of my research work and for their cordial and inspiring guidance and for the keen interest they have taken at each and every stage of my work.

I wish to express my deep sense of gratitude to Dr. V.N. Rajasekhara Pillai, Professor school of Chemical Sciences and Vice-Chancellor Mahatma Gandhi University, for his inordinate enthusiasm and active encouragement throughout my research work. I also place a record of my gratitude to Dr. M. Padmanabhan, Reader-in-charge, School of Chemical Sciences, Mahatma Gandhi University, for his sincere and inspiring support during this investigation. I am thankful to Dr. C.V. Asokan, Reader and Dr. Pius Kuruvilla, Lecturer, School of Chemical Sciences, Mahatma Gandhi University, for their sincere help throughout this work.

I am extremely grateful to Prof. T.M. Aminabhavi, Department of Chemistry, Karnatak University, Dharwad for his valuable suggestion. I gratefully acknowledge the help rendered to me by Dr. Kishan Prasad and Dr. J.P. Misra. Organic coatings and polymer division, Indian Institute of Chemical Technology, Hyderabad to carry out the pervaporation experiments. I remember with thanks Mr. K.N. Jayachandran, Organic coatings and Polymer Division, Indian Institute of Chemical Technology, Hyderabad for his selfless help.

I take this opportunity to thank Dr. N.M. Mathew, Director, Rubber Research Institute of India for his valuable comments during this work. I also thank Dr. M. Mathew, former Deputy Director, Agronomy division for providing me the experimental facilities. I would like to thank Dr. Baby Kuriakose, Dr. Rosamma Alex, Mrs. C.K. Premalata for their sincere help in carrying out my research analysis I am expressing my gratitude to the library staff of RRRI, for their co-operation during my research programme.

I am grateful to Mr. Ravindran Achari (former Librarian), Mrs. Jayammal, Librarian-in-charge and all the members especially the members of the documentation section of Mahatma Gandhi University Library for their help during the research programme.

I am expressing my sincere thanks from the depth of my heart to all my loving friends in the polymer Technology Laboratory, School of Chemical Sciences, Mahatma
Gandhi University, Kottayam for their wholehearted co-operation and support for the successful completion of this thesis. I also express my thanks to all the other research scholars of School of Chemical Sciences, Mahatma Gandhi University for their constant encouragement. A special word of thanks to Dr. G. Unnikrishnan, Mr. T. Johnson, Mr. George Mathew, Ms. Snoopy George and Dr. Asaetha for their valuable criticisms, suggestions and selfless help during my research programme.

I am grateful to all the faculty members and non-teaching staff of School of Chemical Sciences, Mahatma Gandhi University for their good wishes and generosity. A special word of thanks to Mr. K. A. James and Mr. Vijayakumar, Artist-photographers, School of Chemical sciences, Mahatma Gandhi University for the neat tracings.

I am thankful to Dr. K.A. Jose, Regional Director, School of Technology and Applied Sciences, Mahatma Gandhi University for permitting me to complete my research work.

I am expressing my sincere thanks to my colleagues at School of Technology and Applied Sciences, for their wholehearted support for the completion of this programme. I wish to give a special thanks to Mr. Jayee K. Varghese who encouraged me a lot during the research work.

Fr. George Karimtholil, M. C. B. S., Rector, M. C. B. S. Seminary and Sr. Theres, Madukkuzhy, S. H., deserve a special word of thanks for their prayers and moral support.

Mr. C. T. Thomas Chathukulam deserves a special word of thanks for his constant encouragement throughout the work.

I remember with gratitude the financial assistance received from the University Grants Commission, New Delhi.

My sincere thanks to Mr. Benny George Mr. M.N. Anil and other members of Copy Write, Ettumanoor, for their skill and labour in the preparation of the manuscript.

I am very much indebted to my mother, brothers and sisters for their constant inspiration and moral support throughout my research programme and I express my gratitude with love and affection.

SONEY C. GEORGE
