ACKNOWLEDGEMENT

Though this is a short episode in the long journey of quest, "the life", a thousand hands were there to help, to mitigate any disaster and making it a memorable experience. This seems to be an occasion where I cannot fully depend on words.

Still .............

I shall ever remain thankfully indebted to all those learned souls, my former teachers, known and unknown hands who directly or indirectly motivated me to achieve my goal and enlightened me with the touch of their knowledge and constant encouragements. It is an honour bestowed upon me by the goddess of learning to whom, I offer my respectful obeisance.

With stupendous ecstasy of profoundly of complacency, I express my deep sense to indebtedness and gratitude to my supervisor respected Dr. Piyush Kant Pandey Professor and Head of Applied Chemistry Department, for his noble guidance, innovative ideas, abiding interest, meticulous supervision, pragmatic approach, precious suggestion and constructive criticism during complete period of my study and research work. I thank him from the core of my heart for his untiring guidance.

I pay my humble respect and honour to Shri I. P. Mishra, Hony. Secretary, and Prof. B. S. Narang Director, Dr. M.K. Kowar Principal Bhilai Institute of Technology, Durg (C.G.) for providing adequate facilities to pursue this productive work.

I owe special gratitude and feel highly esteemed to place sincere thanks to respected Dr. Sudhakar Jogi, Dean, College of Veterinary Science & Animal husbandry Anjora Durg (C.G) for his overwhelming support and providing a congenial atmosphere for smooth completion of my research work.

I express my deep sense of gratitude to magnanimous nature and highly helpful dexterity of Dr. Madurima Pandey, and Dr. Santosh Sar for their unfailing help and generous support in this endeavor.

I also sincerely acknowledge the help and inspiration rendered by faculties of Veterinary College Anjora Durg. Dr. H.V.S Chauhan, Dr. Sarit Mishra, Dr. S.P Tiwari, Dr. S.P Ingole, Dr. Neelu Gupta, Dr. Durga Verma, Dr. Jayant Tapase, Dr. Hamesh Ratre, Dr. Anant Sagar, Dr. S.R Upadhyayaya, for their timely help and active cooperation.

The company, cooperation and affection extended by my colleagues Dr. Sumita Nair, Dr. Ashish Bhui, Nilima Mishra, Richa Sharma, Yashu Verma, Shweta Dubey while performing the toughest job of my life is unforgettable.

The inexplicable gratitude goes to. Mr. R.K. Swami, Mr. Sanjay Mahobe, Mr. Vishnu Deshmukh, Mr. Mangal Yadav, Mr. Prahalad, Mr. Krishna Rao, Mr. Jeetram, Mr. Mahesh Sahu for their indefinite co-operation and well times help.

Words will not suffice to express my special thanks to my family members for their lovingly support and constant encouragement during entire study period.

I owe my deep regrets to the animals who were subjected to this study so that the sufferings of many others could be prevented.

In the end, I desire to convey my sincere thanks to every one, who helped directly or indirectly in completing this voluminous work.

MANJU ROY
