I feel elated in expressing my deepest sense of gratitude to Dr. Vimal Kumar Kanungo, Assistant Professor, Department of Botany, Govt. College of Science, Raipur (Chhattisgarh) for his valuable guidance, unique supervision, constant encouragement and support extended throughout the research. It is his co-operation and kindness, that I have completed my research in stipulated time.

I feel great pleasure to acknowledge Dr. M. L. Naik, Ex. Professor, Head and Dean of Life Sciences for constant inspiration, encouragement and kind help extended to me during the present research.

My grateful appreciation for Dr. B. N. Sharma, Principal and Dr. S. R. Ingle (Head, department of Botany) Govt. College of Science, Raipur (C.G.), for providing lab facility and other facilities during the research.

I do extend my profound regards to Dr. P. Tiwari, Dr. R. Diwan, Dr. V. Kohhi, Prof. A. Sharma, Prof. N. B. Singh, and Prof. S. Bajpai, Professors of Botany department and Prof. A. K. Pandey, Department of Zoology, Govt. College of Science, Raipur (C.G.), for their kind help, co-operation, encouragement and suggestion, which helped me in successful completion of the thesis.

From the bottom of my heart, I express my grateful appreciation to Prof. P. S. Gour, Department of Geology, Govt. College of Science, Raipur (C.G.), for his valuable suggestion, constant encouragement and inspiration during the research.

I sincerely acknowledge to Dr. K. L. Tiwari, Head, Department of Biotechnology and Dr. S. K. Jadhav, Reader, SOS in Life Sciences, Pt. R. S. University Raipur (C.G.), for their kind support during the period of study.
I express my gratitude towards Dr. K. K. Ghosh, Dr. M. K. Dev, Dr. K. S. Patel (Professors, SOS in Chemistry), and my friends Manmohan Satnami, Dr Ravi Kumar Banjare, (SOS in Chemistry) Pt. R. S. University, Raipur for their co-operation and help.

My cordial thanks are also due to help and support given by Dr. J. N. Verma, Ku. Vandana and Ku. Diksha my research colleagues of Botany department of Govt. College of Science, Raipur (C.G.).

I gratefully acknowledge the immense affection, help, and encouragement extended to me by my number of friends Ramakant Sahu, Tularam Verma, Damodar Patel, Chitrasen Patel, Basant, Shriram Kunjam, Dhananjay Patel, Madhusudan Patel, Manoj Goti, Mithelesh Sinha, Ramsingh Patel, Harish Verma and Ved Prakash Verma.

I wish to thank Shri Pradeep Bais, Mahendra Choudhary, Naresh Singh Thakur for typing and giving present shape to my thesis.

I extend my thanks to Shri. P. L. Dhruv, D. S. Sahu, A. K. Maturkar, D. Sahu, Sukaluram Sahu, Smt. Manju Soni, D. Sharma, L. K. Sharma, Sunderlal Yadev, Trilochan and Krishna, non-teaching staff of Botany department, who were always ready to help me during the research.

Lastly, I do not have words to express the contribution of my grandmother, grandfather, parents & brother, Ashvani Kumar Patel; it is only their blessing and encouragement, which enabled me to submit the thesis.

Place : Raipur.
