ACKNOWLEDGEMENT

The author is extremely grateful to the Almighty for making him successful in completing the course.

The author places on record his sincere thanks to Dr. A. PEERMOHAMED, Supervisor for his valuable suggestions and guidance to complete this thesis.

He wishes to thank his Doctoral Committee members Dr. N. G. NAIR and Dr. K. PADMANABAN for their advices and encouragement.

Sincere thanks are extended to M/s. Arvind Enterprises, M/s. Lakshmi Saraswathy Mills (P) Ltd., M/s. Prem dyeing and M/s. Geena Garments, for their valuable assistance to carry out this project. Special thanks are due to Dr. V. R. SRINIVASAMOORTHY, Ph.D. Department of Maths, for his valuable assistance.

The author wishes to thank the entire staff of the Textile Department and all the research scholars for their excellent support.

Last but not the least, the author acknowledges with thanks the contributions made by research workers in the field of textiles not only in India but throughout the world, without which this work would not have been completed successfully.
