ACKNOWLEDGEMENT

I convey from the bottom of my heart, the gratitude and thanks to Dr. S. Gnanasekaran, my research supervisor, Assistant Professor of Physics, College of Engineering, Anna University, Madras - 25, for the inspiring guidance, help, encouragement and discussions which helped me to complete the work and the thesis.

I also take this opportunity to thank Dr. S. Natarajan, Professor and Head, Department of Physics, who only initiated in me the idea of doing research in early 80's and for the help and support rendered by him throughout the course of this work.

I thank the Director, College of Engineering and Dr. P. Ramasamy, Director, Crystal Growth Centre, Anna University for their encouragement.

It is a pleasure to acknowledge my thanks to my numerous friends and colleagues who have rendered help in the preparation of the thesis. In particular my thanks are due for

Dr. S. Sampath Krishnan  - for the enlightening discussions, valuable criticisms and the constant help throughout the work
Research Scholar, Physics

Dr. R.D. Rajan  - for the thought provoking discussions and suggestions.
Assistant Professor, Physics

Dr. S.O. Pillai  - for the helpful suggestions and encouragement
Professor of Physics

Mr.T.V.Sivasubramonia Pillai  - for extending his help in computation work and drawing the graphs
Research Scholar, Physics, Dept.
Dr. M. Palanichamy
Chemistry Dept.
- for the important suggestions and
discussions

Dr. V. Murugesan
Chemistry Dept.
- for the help in proof reading and friendly
advice

Dr. M. Srinivasan,
Professor, Maths Dept.
- for constant encouragement and suggestions
at Computer Centre.

Dr. V. Sankaranarayanan
Member - Secretary,
Tamil Nadu State Council for
Science and Technology
- for the kind permission to use computer
facilities at IRS, Anna University

I acknowledge my indebtedness to all my beloved colleagues
Dr. G.N. Sivarama Prasad, Dr. R. Asokamani, Dr. V. Masilamani,
Dr.K.Subramaniam, Mr. P.K. Palanisamy, Dr. M. Rajagopalan, Mr. T.S. Subbaraman,
Mr. A. Savariraj, Mr. A. Ramalingam, Dr. K. Sivakumar and Mr. S. Ganesan for their
couragement. My thanks are also due to all the research scholars of the Physics
Department for their help. I thank Mr. V. Marudachalam and everyone at the
Computer Centre of Institute of Remote Sensing, Anna University for their help.

I am pleased to thank my parents for their blessings. My wife deserves the
acknowledgement from me for the patience, cooperation and moral support she has
extended throughout the work. My thanks are due to my son, B.S. Navin and my
daughter, B.S. Krithika for their tolerance.

I will be failing in my duty, if I don't thank Mr. P.V. Viswanathan for the nice
figures drawn by him.

Finally I thank all at M/s. Students Xerox, Adyar, Madras-20 for their neat
typing in a short time.
