ACKNOWLEDGEMENT

The author acknowledges the grace of God in the completion of this thesis.

The author very gratefully acknowledges the unstinting support, guidance and help received from his guide Dr. V. Subramaniam who was also his Professor during his Bachelor’s and Master’s degree, and this thesis is the outcome of all the above. Dr. Ramesh Chandran Nayar with his immense expertise in the field of computers has provided invaluable help in the development of the software used in this research and this is very gratefully acknowledged.

Thanks are expressed to Dr. K. Padmanabhan for his help in the development of the electronic hardware used in this work. Thanks are expressed to the doctoral committee member Dr. N. G. Nair for supporting this research work.

The author is thankful to C.S.I.R., Govt. of India for providing him with financial assistance in the form of a fellowship to undertake this research.

This thesis is the culmination of 33 years of effort put by the author’s father and mother, Dr. M. N. U. Kurup and Mrs. Sarasam Kurup towards his formal education which the author acknowledges. The author also acknowledges the support received from his brother Dr. Pradeep U Kurup.

Thanks are due to Mr. S. Patil, M.Tech., Mr. M. Sambandam, C.E. of TTK Textiles Ltd., Mr. K. Palaniswamy of M/s Knitmac Industries, Dr. A. Peer Mohamed and others who have helped the author in this research.
