ACKNOWLEDGMENT

I sincerely express my heartfelt gratitude to my mentor and guide Prof. F. D. Gnanam, Professor of Ceramic Technology, who by his critical remarks and careful nudging helped me and shaped my research work. He has been a constant source of encouragement and inspiration throughout the duration of the programme.

My thanks are due to Dr. P. Manohar, Reader of Ceramic Technology, and Dr. S. Balasubramaniam, Lecturer in Ceramic Technology for their enthusiasm and help rendered during the course of this work.

Mr. B. Ganesh Bhat, DGM, Carborundum Universal Ltd., and Dr. D. Ramakrishnan, consultant, deserve special mention and I warmly thank them for their kind help and suggestions while carrying out this work.

It will be with warm memories and pleasant thought, I remember my friends Mr. Doni Jayaseelan, Mr. Thamizhavel, Mrs. Vijaya Chitra Arasu, Mr. Ramanathan, Mr. Kumar, Mr. Sivakumar, Mr. Senguttuvan and Mr. Amuthan, who have stood by me and helped me wherever I needed them.
I also record my thanks to Mr. Sathiyakumar, Mr. Thangamani and Mrs. Kiruthika, Research Scholars, Division of Ceramic Technology. It’s also my immense pleasure to acknowledge the valuable help of my friends during the period of this course.

I would like to express my thanks to CSIR, DST and CUMI, Chennai for the financial support provided to carry out this project in a grand success.

I am extremely grateful to my family members for their constant support, affection and sacrifices, who stood by me in my hours of crisis and whose thoughts were enough to motivate me.

D. AMUTHA RANI
