LIST OF REFERENCES

VITA

Name : P. NARAYANASAMY

Place & Date of birth : Mallipatti, Periyar D.t, Tamil Nadu 02-01-1957

Educational qualification : M.E.(POWER SYSTEMS)

Designation : Systems Programmer, Computer Centre, Anna University, Madras 600 025.

Area of interest : Data Structures

List of Publications based on the thesis
1. 'Some computational aspects of solving LP problems using Multiplex algorithm' Proceedings of the 13th International Symposium on Mathematical Programming held in Chuo University, Tokyo, Japan during August 29 - September 2, 1988.

2. 'Data Structure implementation of Multiplex and Dual Multiplex algorithms for solving LP problems' Proceedings of the 13th International Symposium on Mathematical Programming held in Chuo University, Tokyo, Japan during August 29 - September 2, 1988.
