ACKNOWLEDGEMENT

I am grateful to Professor K. SankaraRao for introducing me to these problems, his valuable guidance, encouragement and suggestions during the course of the work reported in this thesis. My grateful thanks to Prof. S. Vaidyanathan, Retired Professor of Mathematics, College of Engineering and to Prof. G. Ramaiah, Head, Department of Mathematics, College of Engineering for their encouragement during the course of the work. Thanks are also due to Mr. Chandrasekaran for his efficient typing of the manuscript and Mr. Mukundan for preparing all the diagrams for this thesis. I would like to thank all those who helped me directly or indirectly to complete the work and the University Grants Commission for their financial help.
