Acknowledgement

I sincerely express my deep sense of gratitude to Dr. Geeta M. Patil, Associate Professor & Head, Deogiri College, Aurangabad, for her kind help, comments, views and valuable advice that she provided me through the work as my supervisor. Her encouragement and motivation helped me a lot to complete my research work.

I express my thanks to The Principal of my N.E.S Science College, Nanded and Nanded Education Society, Nanded for being generous in providing all the support for my research work.

I am deeply indebted to The Libraries of English and Foreign Languages University, Hyderabad; Osmaniya University, Hyderabad; Dr.Babasaheb Ambedkar Marathwada University, Aurangabad; Deogiri College, Aurangabad; S.B.College Aurangabad, People’s College, Nanded and other Libraries for their valuable resources.

The loving support of my family members has played an important role in my research work. I want to remain under the blessing of my dear mother Mrs. Vimalbai and dear father Mr. Vitthalrao Wanve. There are no words to thank my dear brother Mr. Laxman and Mrs. Savita Wanve as they have been my inspiration. It will be injustice to forget the support of my wife Mrs. Anishka who has helped me a lot. The beautiful smile of family children- Poonam, Babli and Chaitanya, are my energetic sources.

It will be unfaithful if I forget to thank my dear friends-Mr.Pandurang Shinde, Pandurang Chate, Sarjerao Narwade, Pankaj Kulkarni, Vijay Thosre, Devendra Patil, Masnaji Sagrole, Dhananjay
Ingole, Arun Akmar, Shravan Jadhav, Somnath Lokre for their valuable support. It is my sincere duty to thank typewriter Mr. Lokhande for his hard but smart work.

I sincerely thank all of them whose unfailing support made my Ph. D. thesis see the light of the day. Though I have not mentioned each and everyone my thanks are due to them.

Thanks to all.

Mr. Sandipan Vitthalrao Wanve
