ACKNOWLEDGEMENT

At the very outset I offer my prayfull thanks to God for His ever unconditional kind grace to me, in every possible form I need.

I express my heartiest and deepest sense of respect and gratefulness to my teacher and supervisor. **Prof. Sanjib Kumar Panda**, Department of Life Science and Bioinformatics, Assam University Silchar, for his exceptional and bonafied mentorship and providing me a golden and uncommon oppurtunity to work in one of the best University and research institute of Hungary, Hungarian Academy of Sciences and University of Szeged,Szeged,Hungary

I further extend my regardful acknowledgement to **Prof. L. Sahoo**, Department of Biotechnology, IIT Guwahati for his valuable advice and encouragement to me during my research work.

I extend my heartiest respect and gratefulness to **Prof. Dr. Laszlo Erdei**, Department of Plant Biology, Faculty of Science and Informatics, University of Szeged, Szeged, Hungary, for his kind guidence and support to me in his lab at Hungary,central europe

My acknowledgement are also due to **Dr. Shuvashis Chaudhury**, Central Instrumentation Laboratory, Assam University, Silchar, for providing his lab and providing valuable support and encouragement to compleite my left over work

Thanks are also due to chief scientist, Regional Agricultural research station,Akbarpur, Karimganj,Assam, for providing rice seeds for the experiment

I further extend my heartiest gratefulness to Dean, **Prof.Devashish Kar**, School of Life sciences, Assam University Silchar and **Prof.Sarbani Giri**, Head, Dept. of Life Science & Bioinformatics Assam University Silchar, for their kind advices and support during my research work.in the department
My sincere thanks and greatfulness are also due to University Grant Commission, New Delhi, National Tea Research Foundation, Calcutta and Hangarian Scholarship Board, Hungary, for providing me fellowship during my research period.

Special thanks & gratefulness are due to all my lab members and PhD Scholars, teaching and non teaching staffs of the department for their kind co-operations to me during my research work.

I am beholden to my parents, Shri C.P. Yadav (Father) and Smt Kunti Devi (mother) and Shri R.Kumar (uncle), who has been a constant source of inspiration in my academic & research pursuit. Last but not the least my deepest love and affection are due to my brother Vidyut, M.Kr and R.Kr for their persistent support and cooperation during the hardship period of my research.
