ACKNOWLEDGEMENT

It is rightly said that “Every effort is motivated by ambitions and all ambitions have an inspiration behind.” I owe this proud place to my late parents. Their selfless persuasion, sacrifice and heartfelt blessings have made this manuscript a success, enabling me to translate/render their dreams into reality.

It is indeed a privilege and an immense pleasure on my part to take this opportunity to convey my deep sense of gratitude to my research supervisor Professor Alok Sen, Head of the Department, Department of Economics, Assam University, for his constant support, assistance, valuable suggestions and judicious guidance, scholarly advice, supervision and benevolent attitude. He has been a perennial source of inspiration, providing me with plentiful moral support from time to time and encouragement for the successful completion of my research work. It was all due to his kindness and sustained encouragement that the present work could be taken up and completed successfully. I also convey my sense of gratitude to him and I shall remain indebted to him forever.

It is not only due to my own efforts, but it is also the result of the assistance and inspirations of a number of persons who have extended their help, support and encouragement in the completion of this work.

I am extremely grateful to Dr. Minhaz Uddin Barbhuiya, M.A., M.Phil., Ph.D, Assistant Professor, Department of Economics, Jagannat Sing College, Udharbond, and Silchar. It is because of his assistance that I could complete the work. I sincerely thank him for his cooperation and kind help during my study period. I am lucky enough to meet him and complete this research work. I express my heartfelt gratitude and my deep sense of indebtedness to him.

I am gratefully indebted to Dr. Jamal Uddin Ph.D, Assistant professor (senior) Department of Economics R. K. Nagar College, R. K. Nagar for his valuable help, assistance, inspiration and suggestion during the entire period of work. I shall be remaining indebted to him for ever.
My special thanks go to Ratna Shekhar Bhattacharjee, Principal, Lala Rural College, for providing the necessary details and the critical approaches with which I should proceed to the research work. I am deeply indebted to him for his valuable comments, suggestions and critical insights and also for his personal interest in my work.

I am also deeply indebted to Dr. Manindra Singha, Head of the Department of Economics, Lala Rural College, for his insistent encouragement and all the teaching and non-teaching staffs of Lala Rural College, who extended all possible help during my research.

I take the opportunity to convey my special thanks to Professor Niranjan Roy, Professor Sumanash Dutta and other faculty members of the Department of Economics, Assam University, who have collectively contributed to my research in the form of valuable comments and suggestions, especially during the periodical seminars.

I am equally grateful to Dr. Jawaharlal Sen, Ex-Principal, Dr. Nazmul Hussain Mazumder, Ex-Vice Principal, Abul Hussain Mazumder, Ex-H.O.D., Department of English, and Ataur Rahaman Ex-H.O.D, Department of Economics, Lala Rural College, Lala, Hailakandi for their affection, encouragement, inspiration and valuable suggestions.

My warmest thanks are due to Saidur Rahaman Barbhuiya, Assistant Professor (senior), Department of Mathematics, S. S. College, Hailakandi and Baharul Islam Laskar, Assistant Professor (senior), Department of Political Science, R. K. Nagar College, for their co-opeartion and inspirations.

I am also indebted to the officials of the Directorate of Agriculture, Govt. of Assam, Khanapara, Guwahati-22, District Agricultural Office, Hailakandi, Deputy Director, Economics and Statistics, Hailakandi, Govt. Press, Guwahati for their help by providing necessary materials and data on my topic. Here I would specially like to thank the Agricultural Development Officer A.R. Ahmed and Village Level Extension Worker Sarif Uddin.
I am also indebted to the library authorities of the Assam University, Silchar, Jawaharlal Nehru University, New Delhi, NCAER, ICSSR, and Institution of Economic Growth, New Delhi, who provided me with the necessary literature with valuable inputs.

I am also deeply indebted to Smaranjit Singha, part time lecturer, department of English, Lala Rural College, who took much pain in making necessary corrections for the finalisation of this work for printing.

I must here also acknowledge the help and support of my wife, Mrs. Parveen Choudhury, for her sacrifice in creating a study-friendly pleasant environment at home.

I owe a special debt to Sandip Choudhury of S CUBE, for taking care of the computer editing and printing of the manuscript and bringing out its final shape.

Finally, I would also like to express my thanks to all those who have extended their help and co-operation, directly and indirectly, in the completion of this piece of work.
